

We are sad and disappointed to announce that as from 6pm on Monday 16th March 2020 all dates-n-mates events are postponed until further notice.

This includes our Gala Awards Dinner, planned for Thursday 19th March and Club LATE on Thursday 26th March.

The postponement applies to our branches in Glasgow, Aberdeen, Renfrewshire and Falkirk.

This action is in response to the current public health crisis and after taking direction from Health Protection Scotland. We believe that many of our members would be putting themselves or their loved ones at unnecessary risk by attending our social events. And as the Coronavirus continues to spread, our top concern is to make sure that our members, staff and volunteers are safe and remain well.

We hope that it won't be long until our events programme is running again but at the moment we cannot say when this will be.

In the meantime, we urge all members to continue to follow the NHS guidance on how to avoid catching and spreading the virus.

We are now in the process of contacting our event attendees and our members and sincerely apologise to you all for the disappointment and frustration that this difficult decision will undoubtedly cause.
